

Ms. Stoltz is blind and runs a news stand at the Department of Transportation building on the Berlin Turnpike and is opposed to HB 6654.

She is worried about the possible privatization of these facilities and the exclusion of people with disabilities, specifically at state parks.

Ms. Stoltz is specifically worried about section 4 of the bill, which will replace the Board of Education and Services for the Blind as the operator of food service facilities and will be replaced with a bidding process.
