

Dear members of the Environmental Committee,

I urge you to support S.B. No. 915 (RAISED) AN ACT AUTHORIZING BOW AND ARROW HUNTING ON SUNDAY UNDER CERTAIN CIRCUMSTANCES. Saturday and Sunday are the only days my son and I can spend time in the woods together due to our work schedules. It is already legal for fishing and trapping on Sundays, why shouldn't hunters be granted the same opportunities to enjoy the outdoors on a full weekend?

It is hard to believe that as the laws in CT are now, we can not pursue a wholesome endeavor of enjoying the woods and filling the freezer with free range meat, yet we can "entertain" ourselves in the sin industry by going to the casino, liquor stores, or adult bars. Thank you for you time and support of SB 915.
