

I am writing to give my support for the Sunday hunting bill. (S.B. No. 915 (RAISED) AN ACT AUTHORIZING BOW AND ARROW HUNTING ON SUNDAY UNDER CERTAIN CIRCUMSTANCES).

I feel that passing the bill would help the following:

- Sunday bow hunting would benefit the state by helping manage the deer population. This could be achieved by giving the hunters the necessary time to spend afield.
- Many people (including myself) work during the week and are left with only Saturday to bow hunt.
- I have found that most of my friends do not have enough time and will not go hunting all season and will not purchase hunting license.

There is just not enough time to work, be part of a family and hunt. Being able to hunt on Sunday would create a better balance of work and family and allow more people to go out and buy license and enjoy the sport again.

Thank you for recognizing the need to pass this bill.

Best Regards,
