

*To who it may concern,*

*I am writing in support of SB-919: AN ACT AUTHORIZING BOW AND ARROW HUNTING ON SUNDAY UNDER CERTAIN CIRCUMSTANCES. As a life long Connecticut resident, I am in favor of Sunday archery hunting for several reasons. The first and foremost is allowing me to have possibly have 2 days to hunt (weather permitting) a week instead of having to burn valuable vacation & personal days that I would rather use to be with my family. I also support this Sunday archery hunting because I can't understand how it seems fair that the 1% of the population pays for license and permits, only to be banned from their hobby on Sundays. Lastly, with all the facts of increase in lyme disease, food crop damage and car accidents, it makes sense to curb the deer herd in Connecticut towns.*

*Please send along my support for SB-915.*

*Many thanks in advance.*

*Sincerely,*

*Michael "Smoothie Jonez" Beaudry*
