

**GOVERNMENT ADMINISTRATION AND ELECTIONS COMMITTEE
Public Hearing February 22, 2013**

Testimony on Raised Bill No. SB 283.

An Act Concerning On-Line voting for Military Personnel Stationed Out of State

Senator Musto, Representative Jutila and Members of the GAE Committee

My name is Sue W. Larsen. I am the Chairman of the ROVAC Legislative Committee and here in support of support SB 283. Military personnel should be allowed to vote on-line but they need to understand there will be security issues associated with on-line voting. A waiver is a simple way of insuring they understand that online voting, as it is today, cannot protect the secrecy of their vote. If they agree to voting, in this manner, they should be given that opportunity.

These men and women put their lives on the line for our rights. We should insure their right to vote no matter where in the world they are.

Thank you for allowing this testimony.
