

Facility and Officer Safety

- RREC contributes to a safe facility and provides an incentive for offenders to act in accordance with the rules.
- An inmate may forfeit any and all RREC for institutional misconduct.
- As a result, disciplinary violations of all types have declined over 10 percent since the implementation of RREC.

Facility and Officer Safety

- Workers Compensation costs have declined since RREC was implemented.
- Inmates do not earn RREC, and will forfeit RREC, if they are out of compliance with program recommendations.
- As a result, program compliance has increased significantly since the implementation of RREC.
