Subject: HB-5724 TESTIMONY (SUPPORT)

Dear Honorable Representative Hennessy,

My name is Chad Hunter and I was born in the City of Bridgeport, Connecticut 26 years ago. Since then, I have gone on to graduate from Housatonic Community College, where I honorably and faithfully served as Vice President of the Student Senate, Chairman of the Senate Activities Committee and member of the Senate Standards Committee. I have also graduated from Saint Vincent's College, but the purpose of this e-mail is not to give you my resume. The purpose of this e-mail is to explain why I support HB-5724 and applaud your efforts to make it harder for Bridgeport's local politicians to run rough shod over the city without thinking twice.

I proudly and publicly supported Mary-Jane Foster for Mayor of Bridgeport when she ran for the position against Bill Finch in the last Mayoral Election that Bridgeport saw and during that time, I learned some very shocking things about how, exactly, taxpayer money was getting spent. What I learned was appalling! I recall a dear friend of mine and fellow campaign worker (who will remain nameless) sending a letter to the State Elections Enforcement Committee to that effect, though in greater detail. However, in an effort to adhere to the 2-minute rule, I will make this short and to the point.

I fully support HB-5724 without any hesitation or purpose of evasion. The harder we make it for those holding elected positions to cheat or act dishonestly, the better our City of Bridgeport will become. Some people look at Bridgeport and see what she is. I look at Bridgeport and see what she can be and what we need to do in order to get her there. HB-5724 is definitely a huge step in the right direction and I truly appreciate you for doing your part to end corruption in a city that means so much to so many.

You are a good man and I truly appreciate your service to the Military, our country, the State of Connecticut and the City of Bridgeport. You are a man whom I admire and respect. Please continue to make me proud of my American citizenship. Thank you.

Respectfully submitted by the undersigned,

Chad R. Hunter [My typed name shall have the same force and effect as my handwritten signature.]
