Explanation of State Impact of Regulation:

No fiscal impact is anticipated. The Department of Consumer Protection currently regulates controlled substances through its Drug Control Division. These proposed regulations change the present classification of marijuana as a Schedule I controlled substance to a Schedule II controlled substance. The Department does not seek additional positions or funding for this specific regulation change.

Explanation of Municipal Impact of Regulation:

No impact on municipalities is anticipated. The Department has jurisdiction over these regulations.

Explanation of Small Business Impact of Regulation:

Please see the Department's Small Business Impact Statement for more details.
