Re: Proposed Amended Regulation Concerning Holding Company Act

Dear Senator Ayala, Representative Noujaim, and Committee Members:

This letter is being submitted to make a correction to the submission of the above referenced proposed regulation amendments submitted on January 17, 2013.

In my original submission letter dated January 17, 2013, I advised the Legislative Regulation Review Committee that no public hearing had been held concerning the proposed amended regulation. In fact, the Insurance Department held two public hearings on these proposed amended regulation. The hearings were held on November 19, 2012 and again on November 26, 2012. No comments were received at either proceeding.

Both hearings were properly noted in the certification which was submitted with the proposed amended regulations.

We apologize for this incorrect information and appreciate the opportunity to correct the record.

As always, if you have any questions concerning this proposed regulation please do not hesitate to call me or Beth Cook, Counsel at 860-297-3812. Thank you for your anticipated assistance and cooperation in this matter.

Sincerely,

Thomas B. Leonardi  
Insurance Commissioner
