INSURANCE DEPARTMENT

Notice of Intent to Amend Regulations

In accordance with section 4-168(a) of the Connecticut General Statutes, notice is hereby given that the Insurance Commissioner, pursuant to the authority of section 38a-465m, proposes to amend regulations concerning Life Settlement Contracts, Sections 38a-465-1 to 38a-465-10, inclusive, of the Regulations of Connecticut State Agencies.

Statement of purpose: To amend §§ 38a-465-1 to 38a-465-10, inclusive, to be consistent with state statutory changes which have changed the terminology from “viatical” to “life settlement” as well as other related terminology amendments. The definitions are largely redundant to statute and are therefore being repealed. A provision regarding disclosure is also redundant to statute and is being repealed. Another change to the disclosure section will move a subsection to the existing privacy protection section. Consistent with Connecticut’s laws, protection from discrimination based on an individual’s gender identity or expression is being added.

All interested persons are invited to submit written data, views or arguments in connection with the proposed action within thirty days following publication of this notice in the Connecticut Law Journal to the State of Connecticut, Insurance Department, Attention: Barbara Rezner, Esq. P.O. Box 816, Hartford, CT 06142-0816.

Copies of the proposed regulation, small business impact statement and agency fiscal estimate of proposed regulation may be obtained by writing to the Insurance Department at the above address or by calling (860) 297-3804. The proposed regulation may also be viewed by visiting the Insurance Department’s Internet Web site at www.ct.gov/cid and clicking on “Proposed Regulations”. Because the proposed regulation does not affect small businesses directly, no regulatory flexibility analysis for this proposed regulation is required pursuant to section 4-168a.
