RE: Technical Amendments to the Regulations of Connecticut State Agencies

Dear Co-Chairpersons:

In accordance with the provisions of subsection (b) of Section 4-170 of the Connecticut General Statutes, this is to advise the Legislative Regulation Review Committee of the approval by the Attorney General of the proposal of the regulation concerning the **"Repeal of Certain Obsolete Department of Motor Vehicles Regulations"**.

The notice for this regulation is not subject to publication in the Connecticut Law Journal in accordance with subsection (g) of section 4-168 of the Connecticut General Statutes, as its objective is to repeal sections of the Regulations of Connecticut State Agencies due to the repeal of the regulations' underlying statutory authority.

Enclosed please find the original proposed regulation as required by law. An electronic copy has been sent to the Regulations Review Committee in accordance with Public Act 2011-150.

If you have any questions or concerns regarding this proposal, please do not hesitate to contact me at (860) 263-5460.

Sincerely,

A handwritten signature in black ink, appearing to read "Anne F. Howroyd".
