DEPARTMENT OF ENERGY AND ENVIRONMENTAL PROTECTION

Notice of Intent to Adopt Permanent Regulations on Low Emissions Vehicles and Zero Emissions Vehicles pursuant to Connecticut General Statutes Section 22a-174g and Amend the State Implementation Plan for Air Quality

The Commissioner of the Department of Energy and Environmental Protection (DEEP) hereby gives notice of the intent to amend existing, and adopt new permanent, regulations for the Low Emissions Vehicles (LEV) and Zero Emissions Vehicles (ZEV) programs pursuant to Connecticut General Statutes (C.G.S.) Section 22a-174g. These programs, which are also referred to as the California Clean Cars program, are a critical element of the DEEP's strategy to reduce smog and other pollutants, including greenhouse gases, from passenger vehicles and light duty trucks. Furthermore, Connecticut is required to maintain consistency with the California Clean Cars program under Section 177 of the Clean Air Act (CAA). This proposal amends R.C.S.A. section 22a-174-36b and adopts new section 22a-174-36c, in a manner that is identical to recent actions by the California Air Resources Board regarding the California program and meets the statutory requirements of C.G.S. Section 22a-174g. Upon adoption, the LEV regulations will be submitted to the U.S. Environmental Protection Agency as a revision to the State Implementation Plan for air quality.

All interested persons are invited to comment on the proposal. Comments should be submitted no later than 4:30 PM on April 19, 2013 to Paul Kritzler, DEEP, Bureau of Air Management, 79 Elm Street, Hartford, Connecticut 06106-5127. Comments may be submitted by post, facsimile to (860) 706-5339 or by electronic mail to Paul.Kritzler@ct.gov.

In addition to accepting written comments, DEEP will also hold the public hearing described below. Any person giving oral comment at the hearing will be asked to submit a written copy of such comments.

DEPARTMENT OF CONSUMER PROTECTION

Notice of Intent to Adopt Regulations

In accordance with the authority granted in Connecticut General Statutes, Sections 21a-408h, 21a-408i and 21a-408m, the Department of Consumer Protection, hereby intends to amend the Regulations of Connecticut State Agencies by adding Sections 21a-408-1 through Sections 21a-408-70 concerning the Palliative Use of Marijuana.

Purpose: These regulations establish the regulatory framework for the palliative use of marijuana pursuant to Chapter 420f of the Connecticut General Statutes.

Summary: These new regulations set standards for:

- 1) Patients and patient caregivers;
- 2) Physician certifications that permit patients to receive marijuana;
- 3) Dispensaries;
- 4) Producers of marijuana;
- 5) Security requirements for handling and storing marijuana; and
- 6) Adding qualifying medical conditions that can be treated with marijuana.

Legal Effects: These regulations establish standards for patients, caregivers, physicians, dispensaries and producers. If followed, these standards provide immunity from state criminal action for the possession and use of marijuana. These regulations
