Re: Proposed Regulation Concerning Technical Corrections

Dear Senator Ayala, Representative Noujaim and Committee Members:

In accordance with Conn. Gen. Stat. §4-170, I hereby submit the original of the above-referenced proposed regulation bearing the approval of the Attorney General as to legal sufficiency, together with an electronic copy thereof in the format designated by your Committee and final fiscal note prepared pursuant to Conn Gen. Stat. §4-168(a).

The Insurance Department is promulgating the proposed regulation to make technical corrections to a number of existing regulations. The regulation addresses outdated language, minor typographical issues pertaining to punctuation and spelling, minor errors in referencing statutory authority and updates provisions to indicate a preference for e-mail communication.

Please note: (1) as required by Conn. Gen. Stat. §4-168a, the Insurance Department considered the impact of the proposed regulation on small businesses and, in doing so, determined that the preparation of a regulatory flexibility analysis, as contemplated by this statute, was not needed and (2) no public hearing was requested nor was held by the Department on this regulation. The Insurance Department received no public comments on these changes.

Your review and approval of this regulation is respectfully requested. As always, if you have any questions concerning this proposed regulation, please do not hesitate to call me or Jim Perras, at 860-297-3864.

Very truly yours,

Anne Melissa Downing
Deputy Insurance Commissioner
