Re: **Department of Labor proposed regulations pertaining to the adoption by reference of revisions to the occupational safety and health standards (Cranes and Derricks in Underground Construction and Demolition Work)**

Dear Senator Ayala and Representative Noujaim:

In accordance with Section 4-170(b) of the Connecticut General Statutes, I am submitting for your approval the above-referenced proposed regulations. On June 25, 2013, the Department gave notice in the Connecticut Law Journal of its intent to adopt the proposed regulations. A copy of the notice of intent is enclosed. A public hearing was held at the Department of Labor on July 25, 2013. A transcript of that hearing is enclosed, as well as the fiscal note. Entities requesting copies of the regulation were provided with copies of the regulation. The Department did not receive any oral and written comments.

In the event you should need any further information or assistance with respect to these regulations, please do not hesitate to contact Attorney Anne Rugens, Office of Program Policy, at (860) 263-6755.

Sincerely,

A handwritten signature in black ink, appearing to read "Sharon M. Palmer", is written over a large, faint, stylized outline of the signature.
