**Notice of Intent to Amend Sections 14-67q-1 to 14-67q-11, inclusive; Sections 14-67q-13 to 14-67q-18, inclusive; Repeal of Section 14-67q-12 of the Regulations of Connecticut State Agencies, Entitled  
“Motor Vehicle [Junkyards] Recyclers”**

In accordance with the provisions of Section 4-168 of the Connecticut General Statutes, notice is hereby given that the Commissioner of Motor Vehicles, pursuant to Section 14-67q of the Connecticut General Statutes, proposes to amend the regulations concerning motor vehicle recyclers, Sections 14-67q-1 to 14-67q-11, inclusive, Sections 14-67q-13 to 14-67q-18, inclusive, and to repeal Section 14-67q-12 of the Regulations of Connecticut State Agencies.

The purpose of this proposal is to update the regulations governing a motor vehicle recycler’s yard and business as a result of Public Act 96-167 which replaced the word “junkyard” for “recycler” throughout the General Statutes. In addition, Public Act 08-150 mandates compliance with environmental laws as a requirement for licensure.

The regulation also seeks to repeal Section 14-67q-12 which was adopted in 1984. This section regulates a motor vehicle recycler’s yard in two ways: allows only the owner or an employee or motor vehicle dealer or repairer to remove parts from vehicles in the recycler’s yard; and provides for the restraining of dogs during business hours. These two requirements are not necessarily reflective of current business conditions and as such, the proposal would allow the owner of a motor vehicle recycler’s yard to consider such changes to its business operations if it chose to do so.

Comments regarding this proposed regulation may be submitted in writing within thirty (30) days following the electronic posting of this notice to Anne F. Howroyd, Division Manager, Legal Services Division, 60 State Street, Room 164, Wethersfield, CT 06161 or via electronic correspondence at [anne.howroyd@ct.gov](mailto:anne.howroyd@ct.gov).

Howroyd, in writing, to the address above, by telephone at (860) 263-5460, or by electronic correspondence also listed above.
