**AN ACT CONCERNING A SCHOOL NURSE ADVISORY COUNCIL
AND AN ADVISORY COUNCIL ON PEDIATRIC AUTOIMMUNE
NEUROPSYCHIATRIC DISORDER ASSOCIATED WITH
STREPTOCOCCAL INFECTIONS**

SUMMARY: This act requires the State Department of Education (SDE) commissioner to create a school nurse advisory council. The council must advise the SDE and Department of Public Health (DPH) commissioners on matters affecting school nurses, including their professional development, staffing levels, and delivery of health care services. The act requires the council to annually report to the commissioners and the Public Health and Education committees, with the first report due February 1, 2014.

The act also establishes an advisory council on pediatric autoimmune neuropsychiatric disorder associated with streptococcal infections (PANDAS) and pediatric acute neuropsychiatric syndrome (PANS) (see BACKGROUND). This council must advise the DPH commissioner on research, diagnosis, treatment, and education relating to these conditions. Starting January 1, 2014, it must annually report to the Public Health Committee.

EFFECTIVE DATE: July 1, 2013 for the school nurse advisory council provisions; upon passage for the PANDAS/PANS advisory council provisions.

SCHOOL NURSE ADVISORY COUNCIL

Membership

Under the act, the school nurse advisory council's voting members are as follows (it appears the members are appointed by the SDE commissioner):

1. one representative of each statewide bargaining representative organization that represents school nurses;
2. one representative of the Association of School Nurses of Connecticut, employed at a private or parochial school;
3. one representative of the Connecticut Nurses Association;
4. one representative of the Connecticut Association of Public School Superintendents;
5. one representative of the Connecticut Federation of School Administrators;
6. one representative of the Connecticut Association of Boards of Education;
7. two school district medical advisors, including one member of the

OLR PUBLIC ACT SUMMARY

American Academy of Pediatrics; and

8. one representative of the Connecticut Association for Healthcare at Home who is a school nurse.

The SDE and DPH commissioners, or their designees, are ex-officio, nonvoting members and must attend the council's meetings.

Council members must elect one of the nurses as chairperson of the council.

Procedure

The SDE commissioner must schedule the first council meeting, to be held by September 1, 2013. The council must meet upon the call of the chairperson or upon the request of a majority of the members. A majority of the members constitutes a quorum, and a majority vote of a quorum is needed for any official council action.

Council members are not paid for their service, except for reimbursement for necessary expenses incurred in performing their duties.

Reporting Requirement

Under the act, the council must report by February 1, 2014 and at least annually thereafter to the SDE and DPH commissioners and the Public Health and Education committees. The report must include recommendations on (1) school nurses' professional development, staffing levels, and delivery of health care services and (2) protocols for emergency medication administration and evaluating temporary medical conditions that may be symptomatic of serious illnesses or injuries.

The act requires the SDE commissioner to notify local and regional school boards of the advisory council's recommendations no later than 30 days after he receives these reports.

PANDAS/PANS ADVISORY COUNCIL

Membership

The act requires the DPH commissioner, within 30 days after June 24, 2013, to appoint the following 14 voting members to the PANDAS/PANS advisory council:

1. an immunologist licensed and practicing in Connecticut with experience treating persons with PANDAS and PANS and the use of intravenous immunoglobulin;
2. a health care provider licensed and practicing in Connecticut with expertise in treating persons with PANDAS, PANS, and autism;
3. a representative of the Connecticut branch of the P.A.N.D.A.S. Resource Network;
4. an osteopathic physician licensed and practicing in Connecticut with experience treating persons with PANDAS and PANS;
5. a health care provider licensed and practicing in Connecticut with expertise in treating persons with Lyme disease and other tick-borne illnesses;

OLR PUBLIC ACT SUMMARY

6. a medical researcher with experience conducting research on PANDAS, PANS, obsessive-compulsive disorder (OCD), tic disorder, and other neurological disorders;
7. a certified dietitian-nutritionist practicing in Connecticut who provides services to children with autism spectrum disorder, attention-deficit hyperactivity disorder, and other neuro-developmental conditions;
8. a representative of a professional organization in Connecticut for school psychologists;
9. a child psychiatrist with experience treating persons with PANDAS and PANS;
10. a representative of a professional organization in Connecticut for school nurses;
11. a pediatrician with experience treating persons with PANDAS and PANS;
12. a representative of an organization focused on autism;
13. a parent with a child who has been diagnosed with PANDAS or PANS and autism; and
14. a social worker licensed and practicing in Connecticut.

Under the act, there are three other voting members: (1) a representative of SDE's bureau of special education and (2) the Public Health Committee's chairpersons or their designees, who may be legislators. The DPH commissioner, or her designee, is an ex-officio, nonvoting member and must attend the council's meetings. (PA 13-208, § 71 makes technical changes to this act.)

The council must elect a chairperson from among its members.

Procedure

Under the act, the DPH commissioner must schedule the first council meeting, to be held by September 1, 2013. The council must meet upon the call of the chairperson or upon the request of a majority of the members. A majority of the members constitutes a quorum, and a majority vote of a quorum is needed for any official council action.

Council members are not paid for their service, except for reimbursement for necessary expenses incurred in performing their duties.

Reporting Requirement

Under the act, the PANDAS/PANS advisory council must annually report to the Public Health Committee, with the first report due January 1, 2014. The report must include recommendations on:

1. practice guidelines for the diagnosis and treatment of PANDAS and PANS;
2. mechanisms to increase clinical awareness and education regarding these conditions among pediatricians and other physicians, school-based health centers, and providers of mental health services;
3. outreach to educators and parents to increase awareness of these conditions; and
4. developing a network of volunteer experts on the diagnosis and treatment of these conditions to assist in education and outreach.

OLR PUBLIC ACT SUMMARY

BACKGROUND

PANDAS and PANS

According to the National Institute of Mental Health, PANDAS includes cases of children and adolescents with OCD or tic disorders, whose symptoms worsen following streptococcal infections. PANS includes all cases of children and adolescents with abrupt onset OCD, not just those associated with such infections.
