If the committee disapproves such regulation, in whole or in part, it shall notify the agency of the reasons for its action. An approved regulation, posted on the eRegulations System by the office of the Secretary of the State, may be effective for a period of not longer than one hundred twenty days renewable once for a period of not exceeding sixty days, provided notification of such sixty-day renewal is posted on the eRegulations System **[**by the office of the Secretary of the State**]** and an electronic copy of such notice is sent to the committee. **[**, but the adoption of an identical regulation in accordance with the provisions of subsections (a), (b) and (d) of this section is not precluded.**]** The sixty-day renewal period may be extended an additional sixty days for emergency regulations described in subparagraph (A)(ii) of subdivision (1) of this subsection, provided the Commissioner of Energy and Environmental Protection requests of the standing legislative regulation review committee an extension of the renewal period at the time such regulation is submitted or not less than ten days before the first sixty-day renewal period expires and said committee approves such extension. Failure of the committee to act on such request within ten days shall be deemed an approval of the extension. Nothing in this subsection shall preclude an agency proposing such emergency regulation from adopting a permanent regulation that is identical or substantially similar to the emergency regulation, but such action shall not extend the effective date of the emergency regulation.

(3) If the necessary steps to adopt a permanent regulation, including the posting of notice of intent to adopt, preparation and submission of a fiscal note in accordance with the provisions of subsection (b) of section 4-170 and approval by the Attorney General and the standing legislative regulation review committee, are not completed prior to the expiration date of an emergency regulation, the emergency regulation

[(g)**]** (h) If an agency finds (1) that technical amendments to an existing regulation are necessary because of (A) the statutory transfer of functions, powers or duties from the agency named in the existing regulation to another agency, (B) a change in the name of the agency, (C) the renumbering of the section of the general statutes containing the statutory authority for the regulation, or (D) a correction in the numbering of the regulation, and no substantive changes are proposed, or (2) that the repeal of a regulation is necessary because the section of the general statutes under which the regulation has been adopted has been repealed and has not been transferred or reenacted, it may elect to comply with the requirements of subsection (a) of this section or may proceed without prior notice or hearing, provided the agency has posted such amendments to or repeal of a regulation on the eRegulations System. Any such amendments to or repeal of a regulation shall be submitted in the form and manner prescribed in subsection (b) of section 4-170, to the Attorney General, as provided in section 4-169, and to the standing legislative regulation review committee, as provided in section 4-170, for approval and upon approval shall be submitted to the office of the Secretary of the State for posting on the eRegulations System with, in the case of renumbering of sections only, a correlated table of the former and new section numbers.

[(h)**]** (i) No regulation adopted after October 1, 1985, is valid unless adopted in substantial compliance with this section. A proceeding to contest any regulation on the ground of noncompliance with the procedural requirements of this section shall be commenced within two years from the effective date of the regulation.

Sec. 3. Section 4-168b of the 2014 supplement to the general statutes, as amended by section 29 of public act 13-247 and section 4 of public act 13-274, is repealed and the following is substituted in lieu thereof

(a) **[**Each agency shall create an**]** On and after the certification date, the official electronic regulation-making record **[**that**]** shall be retained on the eRegulations System **[**for the period required by law**]** for each regulation proposed in accordance with the provisions of section 4-168, as amended by this act. Prior to the certification date, each agency shall create and maintain a regulation-making record for each regulation proposed by such agency. amended by this act, and section 4-170, as amended by this act; (6) any petition for the regulation filed pursuant to section 4-174; and (7) all comments or communications between the agency and the legislative regulation review committee. No audio recording of a hearing held pursuant to section 4-168, as amended by this act, shall be posted on the eRegulations System unless the Secretary of the State confirms that such posting will not constitute a violation of any state or federal law regarding accessibility for persons with disabilities. Any audio recording of a hearing held pursuant to section 4-168, as amended by this act, that is not posted on the eRegulations System shall be maintained by the agency and made available to the public upon request. If an agency determines that any part of the regulation-making record is impractical to display or is inappropriate for public display on the eRegulations System, the agency shall describe the part omitted in a statement posted on the eRegulations System and shall maintain a copy of the omitted material readily available for public inspection at the principal office of the agency.

(c) The **[**agency**]** regulation-making record need not constitute the exclusive basis for agency action on that regulation or for judicial review thereof.

Sec. 4. Section 4-169 of the 2014 supplement to the general statutes, as amended by section 30 of public act 13-247 and section 5 of public act 13-274, is repealed and the following is substituted in lieu thereof (*Effective October 1, 2014, and applicable to regulations noticed on and after said date*):

No adoption, amendment or repeal of any regulation, except a regulation issued pursuant to subsection **[**(f)**]** (g) of section 4-168, as amended by this act, shall be effective until **[**the original of**]** the proposed regulation and any revision of a regulation to be resubmitted to the standing legislative regulation review committee has been submitted electronically to the Attorney General by the agency

proposing such regulation and approved by the Attorney General or by some other person designated by the Attorney General for such purpose. The review of such regulations by the Attorney General shall be limited to a determination of the legal sufficiency of the proposed regulation. If the Attorney General or the Attorney General's designated representative fails to give notice to the agency of any legal insufficiency within thirty days of the receipt of the proposed regulation, the Attorney General shall be deemed to have approved the proposed regulation for purposes of this section. The approval of the Attorney General shall be provided to the agency electronically, included in the regulation making record and **[**shall be**]** submitted electronically by the agency to the standing legislative regulation review committee. As used in this section "legal sufficiency" means (1) the absence of conflict with any general statute or regulation, federal law or regulation or the Constitution of this state or of the United States, and (2) compliance with the notice and hearing requirements of section 4-168, as amended by this act.

Sec. 5. Section 4-170 of the 2014 supplement to the general statutes, as amended by section 31 of public act 13-247 and section 6 of public act 13-274, is repealed and the following is substituted in lieu thereof (*Effective October 1, 2014, and applicable to regulations noticed on and after said date*):

(a) There shall be a standing legislative committee to review all regulations of the several state departments and agencies following the proposal thereof, which shall consist of eight members of the House of Representatives, four from each major party, to be appointed on the first Wednesday after the first Monday in January in the odd-numbered years, by the speaker of said House, and six members of the Senate, three from each major party, to be appointed on or before said dates by the president pro tempore of the Senate. The members shall serve for the balance of the term for which they were elected.

Vacancies shall be filled by appointment by the authority making the appointment. There shall be two cochairpersons, one of whom shall be a member of the Senate and one of whom shall be a member of the House of Representatives, each appointed by the applicable appointing authority, provided the cochairpersons shall not be members of the same political party and shall be from alternate parties in the respective houses in each successive term. For purposes of this section, "appointing authority" means the speaker or minority leader of the House of Representatives and the president pro tempore or minority leader of the Senate, as appropriate according to the respective house and party of the member to be appointed. Each chairperson may call meetings of the committee for the performance of its duties.

(b) (1) No adoption, amendment or repeal of any regulation, except a regulation issued pursuant to subsection **[**(f)**]** (g) of section 4-168, as amended by this act, shall be effective until (A) **[**the original and**]** an electronic copy of the proposed regulation approved by the Attorney General, as provided in section 4-169, as amended by this act, and an electronic copy of the regulatory flexibility **[**analyses**]** analysis as provided in section 4-168a are submitted to the standing legislative regulation review committee in a manner designated by the committee, by the agency proposing the regulation, (B) the regulation is approved by the committee, at a regular meeting or a special meeting called for the purpose, and (C) a certified electronic copy of the regulation is submitted to the office of the Secretary of the State by the agency, as provided in section 4-172, as amended by this act, and the regulation is posted on the eRegulations System by the Secretary. (2) The date of submission for purposes of subsection (c) of this section shall be the first Tuesday of each month. Any regulation received by the committee on or before the first Tuesday of a month shall be deemed to have been submitted on the first Tuesday of that month. Any regulation submitted after the first Tuesday of a month shall be deemed to be submitted on the first Tuesday of the next succeeding

month. (3) The form of proposed regulations which are submitted to the committee shall be as follows: New language added to an existing regulation shall be underlined; language to be deleted shall be enclosed in brackets and a new regulation or new section of a regulation shall be preceded by the word "(NEW)" in capital letters. (4) The committee may permit any proposed regulation, including, but not limited to, a proposed regulation which by reference incorporates in whole or in part, any other code, rule, regulation, standard or specification, to be submitted in summary form together with a statement of purpose for the proposed regulation. On and after October 1, 1994, if the committee finds that a federal statute requires, as a condition of the state exercising regulatory authority, that a Connecticut regulation at all times must be identical to a federal statute or regulation, then the committee may approve a Connecticut regulation that by reference specifically incorporates future amendments to such federal statute or regulation provided the agency that proposed the Connecticut regulation shall submit for approval amendments to such Connecticut regulations to the committee not later than thirty days after the effective date of such amendment, and provided further the committee may hold a public hearing on such Connecticut amendments. (5) The agency shall **[**attach**]** also provide the committee with a copy of the fiscal note **[**,**]** prepared pursuant to subsection (a) of section 4-168, as amended by this act. **[**to each copy of the proposed regulation.**]** At the time of submission to the committee, the agency shall submit an electronic copy of the proposed regulation and the fiscal note to (A) the Office of Fiscal Analysis which, not later than seven days after receipt, shall submit an analysis of the fiscal note to the committee; and (B) each joint standing committee of the General Assembly having cognizance of the subject matter of the proposed regulation. No regulation shall be found invalid due to the failure of an agency to submit an electronic copy of the proposed regulation and the fiscal

note to each committee of cognizance, provided such regulation and fiscal note have been electronically submitted to one such committee.

(c) The committee shall review all proposed regulations and, in its discretion, may hold public hearings **[**thereon,**]** on any proposed regulation and may approve, disapprove or reject without prejudice, in whole or in part, any such regulation. If the committee fails to so approve, disapprove or reject without prejudice a proposed regulation, within sixty-five days after the date of submission as provided in subsection (b) of this section, the committee shall be deemed to have approved the proposed regulation for purposes of this section.

(d) If the committee disapproves a proposed regulation in whole or in part, it shall give notice of the disapproval and the reasons for the disapproval to the agency, and no agency shall thereafter issue any regulation or directive or take other action to implement such disapproved regulation, or part thereof, as the case may be, except that the agency may adopt a substantively new regulation in accordance with the provisions of this chapter, provided the General Assembly may reverse such disapproval under the provisions of section 4-171. If the committee disapproves any regulation proposed for the purpose of implementing a federally subsidized or assisted program, the General Assembly shall be required to either sustain or reverse the disapproval.

(e) If the committee rejects a proposed regulation without prejudice, in whole or in part, it shall notify the agency of the reasons for the rejection and the agency, following approval by the Attorney General for legal sufficiency pursuant to section 4-169, as amended by this act, shall resubmit the regulation in revised form to the committee, if the adoption of such regulation is required by the general statutes or any public or special act, not later than the first Tuesday of the second month following such rejection without prejudice and may so resubmit any other regulation, in the same manner as provided in this section

for the initial submission. **[**with a summary of revisions identified by paragraph**]** Each resubmission under this subsection shall include a summary of revisions identified by paragraph. The committee shall review and take action on such **[**revised**]** resubmitted regulation no later than thirty-five days after the date of submission, as provided in subsection (b) of this section. Posting of the notice on the eRegulations System pursuant to the provisions of section 4-168, as amended by this act, shall not be required in the case of such resubmission.

(f) If an agency fails to submit any regulation approved in whole or in part by the standing legislative regulation review committee to the office of the Secretary of the State as provided in section 4-172, not later than fourteen days after the date of approval, the agency shall notify the committee, not later than five days after such fourteen-day period, of its reasons for failing to submit such regulation. If any agency fails to comply with the time limits established under subsection (b) of section 4-168, or under subsection (e) of this section, the administrative head of such agency shall submit to the committee a written explanation of the reasons for such noncompliance. The committee, upon the affirmative vote of two-thirds of its members, may grant an extension of the time limits established under subsection (b) of section 4-168 and under subsection (e) of this section. If no such extension is granted, the administrative head of the agency shall personally appear before the standing legislative regulation review committee, at a time prescribed by the committee, to explain such failure to comply. After any such appearance, the committee may, upon the affirmative vote of two-thirds of its members, report such noncompliance to the Governor. Within fourteen days thereafter the Governor shall report to the committee concerning the action the Governor has taken to ensure compliance with the provisions of section 4-168 and with the provisions of this section.

Concomitantly, the agency shall electronically file with the electronic copy of the regulation a statement from the department head or a duly authorized deputy department head of such agency certifying that the electronic copy of the regulation is a true and accurate copy of the regulation approved in accordance with sections 4-169, as amended by this act, and 4-170, as amended by this act. Each regulation when so electronically submitted shall be in the form prescribed by the Secretary of the State for posting on the eRegulations System, and each section of the regulation shall include the appropriate regulation section number and a section heading. The Secretary of the State shall **[**, not later than five calendar days after the electronic submission by the agency,**]** post each such regulation on the eRegulations System not later than ten calendar days after the agency submission of the regulation.

(b) Each regulation hereafter adopted is effective upon its posting on the eRegulations System by the Secretary of the State in accordance with this section, except that: (1) If a later date is required by statute or specified in the regulation, the later date is the effective date; (2) a regulation may not be effective before the effective date of the public act requiring or permitting the regulation; and (3) subject to applicable constitutional or statutory provisions, an emergency regulation becomes effective immediately upon electronic submission to the

(b) (1) Any person who does not hold a valid certificate pursuant to section 10-145b shall (A) achieve satisfactory scores on the state reading, writing and mathematics competency examination prescribed by and administered under the direction of the State Board of Education, or qualify for a waiver of such test based on criteria approved by the State Board of Education, and (B) achieve a satisfactory evaluation on the appropriate State Board of Education approved subject area assessment in order to be eligible for a certificate pursuant to said section unless such assessment has not been approved by the State Board of Education at the time of application, in which case the applicant shall not be denied a certificate solely because of the lack of an evaluation on such assessment.
