

Regarding: Sr. Bill 21 & H.B. 11

April 14, 2014

Dear Appropriations Members,

My name is Varian Salters. I have a Developmental Disability and hire three part time staff. That help me with Cooking, Cleaning, Shopping and paying my bills and one part time staff that help's me at work. I am Oppose to Bill number S.R. No. 21 and H.B. 11. I have a Level of Need that determinates how much support I can receive. People that have a Level of Need of 5 get more support and money in there budget. People that are a Level of Need Support at a 2 get less support and money in their budget I am concerned that without enough money in my budget I can't increases my staff's hourly rate and that the union dues will make it hard for them to work. I am oppose the bill number S.R. No. 21 and H.B. 11 because it is important to be able to have lots of part time employees in case one staff get's sick or can't make it that day. Thank you very much for taking the time out in your busy schedule to hear my concerns on these bills

Sincerely,

Varian S. Salters
