

My name is Matthew Mueller and I am a freshman at Albertus Magnus College. As a recipient of the Governor's Scholarship Program, I am able to be the first one in my family to attend college. Without this help, I would likely never realize my full potential. I haven't yet decided on my major, but I am considering finance. I look forward to having a great 4 years, and upon graduating, being able to give back to the community that has helped me so much.

Sincerely,

Matthew Mueller
