

We are asking that you support HB 5416 (Section 2)

Oppose HB 5080

Support SB 445 the "puppy mill bill". Please support this bill with additional verbiage to ban all new pet shops from selling commercially-bred dogs, and a phase out for all current pet shops to allow for commercially-bred dogs.

Thank you for your support for these important issues that further the welfare of our Connecticut cats, dogs, and pigs.
