

Dear Legislators,

Human beings must find pleasure and monetary rewards from sources that do not include exploitation, cruelty and harm to the earth and its inhabitants.

Bill HB 5416, banning gestation crates,  
Opposition to HB 5480 which would allow Sunday hunting and  
S.B. 445, banning puppy mills with additional amendments: (1) all new pet shops shall not sell commercially-bred dogs AND 2) for current pet shops, a phase-out of the sale of commercially-bred dogs

are steps in a positive direction.

Please exercise your expertise to accomplish the above.

Sincerely,

Ron DeGray
