

WRITTEN TESTIMONY OF Terry Nevas BEFORE THE CONNECTICUT
GEN. ASSEMBLY ENVIRONMENT COMMITTEE February 28, 2014 Senate
Bill 237 AN ACT PROHIBITING THE STORAGE OR DISPOSAL OF
FRACKING WASTE IN CONNECTICUT

I would like to thank the committee for the opportunity to testify. I support a bill that prohibits the dumping of toxic, or radioactive substances that may end up in Ct's waterways, reservoirs and wells. As you know fracking waste includes toxics and radioactive substances and has had disastrous consequences in Pennsylvania and Ohio. We must protect our precious water systems!

Sincerely,
Terry Nevas 59 osborn Farm Rd.
Weston, Ct 06883
