ENERGY AND TECHNOLOGY COMMITTEE

March 4, 2014

The Connecticut Conference of Municipalities (CCM) is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 92% of Connecticut's population. We appreciate the opportunity to testify on bills of interest to towns and cities.

SB 352, "An Act Concerning the State Building Code"

CCM has concerns regarding this proposal. This proposal would require towns and cities to adhere to standards and codes that have yet to be published. As a potential administrative mandate, these standards could be costly and problematic to municipalities. CCM urges the committee to **obtain a fiscal analysis** of this proposal before taking further action.
