Chair
Planning & Development Committee

Member
Finance, Revenue & Bonding
Program Review & Investigations Committee
Public Safety Committee
Transportation Committee

April 3, 2014

Dear Members of the Executive and Nominations Committee:

I write in support of the nomination of Patricia Low to the State Board of Labor Relations. Patricia's experience speaks for itself. She has been a member of the State Board of Labor Relations from 1997 until the present. The members of the Board have elected her Chairman of the Board of Labor Relations from 1998 to 1991, and 2011 until the present.

Patricia was re-elected due to her leadership and commitment to ensuring that the decisions of the Board are fair and uphold the labor statutes of Connecticut. Patricia is a leader in her town of Glastonbury where she was elected to serve as Vice Chairman of the Town Planning and Zoning Commission. She also served for three terms on the Glastonbury Town Council.

Patricia also played a major role in organizing a Purple Heart Homes project in Glastonbury which built and furnished a home for a wounded veteran. Her dedication helped bring a similar Purple Heart Homes project to the Town of Manchester. Patricia's enthusiasm and attention to detail are reflective of everything she commits to and I fully endorse her re-nomination.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Stephen T. Cassano".

Steve Cassano
State Senator
Fourth District
