Senator Fonfara
Representative Widlitz
Committee Members,

I stand in favor of passage of SB 28 "Elimination of 1.75% Tax on the premium of Health Care Insurance for Municipalities".

In light of the ever increasing cost of Health Insurance, any relief that can be had as a result of legislation must be pursued. Savings that are found will be channeled into much needed services that municipalities throughout our great State must provide to our citizenry.

I thank you for the consideration being given to reduce a burden on municipalities and urge your passage of SB 28.

Sincerely,
Edmond V. Mone
First Selectman
