Testimony in Support of rHB 5548

An Act Establishing A Task Force To Study The General Statutes

Government Administration and Elections Committee

March 17, 2014

Chairmen Musto and Jutila, Ranking Members McLachlan and Hwang, and members of the Government Administration and Elections Committee. I would like to thank the Committee for the opportunity to testify in support of **Raised HB 5548 An Act Establishing A Task Force To Study The General Statutes**.

This bill would create a Task Force to review and make recommendations on obsolete and relevant state statutes. Streamlining our statutes will help our residents, businesses, aid in job growth, and our state's economic development.

We have an opportunity to make this process efficient with this Task Force formation and lighten our state statutes from obsolete laws. This will help our state agencies and municipalities required to enforce and administer our statutes.

Thank you for your consideration.

Sincerely,

Dave Yaccarino
