

To Whom It May Concern:

My name is Richard Zorovich and I have two properties in Sterling Village in Meriden Ct. I am a former Ace Oil prepay customer and now a Roman Oil prepay oil customer.

I like doing the prepay program because I do not like to be bothered with monthly payments. I think they should enforce the current laws rather than pass new ones that would not guarantee this will not happen again. I do not want the State to harm the oil companies that have been around for ever. They are hardworking people who care about their customers. I think the government is making it difficult for these good companies to stay in business by passing these laws and helping natural gas take over their customers.

Sincerely,

Richard Zorovich
