

Dear Legislatures:

My Name is Mary Zysk and I live at 96 Arlington Street North, Meriden, Ct. and I am a former Ace Oil prepay customer. I rely on the prepay program to feel safe and worry free during the winter months. I like know the oil is paid and will be delivered. It has been to my benefit many years except for when Ace Oil went out of business.

I am asking the current laws to be enforced to make sure I am still able to participate in a prepay program. If the government tries to create a law that would make it impossible for companies to provide prepay programs I feel like that would do more harm than good.

Thank you,
