

To whom it may concern:

My name is Richard Aniolowski and I live at 35 Elmwood Drive, Meriden, Ct. I am currently enrolled in a prepay program. I am a former Ace Oil customer and have been doing prepay a long time. This program provides security for my family and protects me against rising oil prices.

I wish the current laws were enforced so Ace Oil would not have gone out of business. I do not believe adding more laws instead of enforcing the ones you have offer me anymore protection. Please do not pass a law that would make the prepay programs too expensive for people to afford.

Thank you,
