To Whom It May Concern,

I believe the IBEST program at New London Adult Education has been great for me, and other people because, it has given me a career to look forward to. If it weren't for this program I truly don't know what I would be doing at this point. Being in the I BEST program is going to give me a better future, not only for me and my family, but for others as well. I also believe it's a great opportunity for people like me who don't have the money to pay for a program such as IBEST. With that said, I want to thank everyone involved in this program for giving me such a great opportunity to look forward to. I would also like to thank Mrs.Sara, Mrs.Nancy for being such great teachers, and Mrs.Lisandra for being such a great program coordinator.

Sincerely,
Yvette Phillips
