**Re: Bill No. HB 5488**

Dear Judicial Committee Members:

My name is Yuberkis Batista. I work as a Court Assistant for the Torrington Area Probate and I completely support the passing of Bill No. HB 5488, concerning healthcare coverage for Probate Court Employees.

As of right now, I can't even contemplate the idea of paying for my kids insurance, since it will take more than 1/4 of my monthly income. If this bill is passed, that will allow me and many others in my situation to have better access to this benefit.

Thanks in advance for your time and consideration.

Sincerely,
