**Subject:** Bill 259

To whom it may concern:

I am writing with great concern regarding the proposed "Bill 259". I can not imagine proposing a bill that would endanger and encourage the sale or possession of drugs near a school, day care centers, and public housing projects.

These areas already suffer greatly with the amount of drug, gang, and crime activity that surrounds them, why on earth would you propose something that would potentially endanger and encourage drug activity.

I hope that you give this great consideration and fight for the safety and well being of the American people, especially innocent children.

I will make sure to keep myself informed of your decisions.

Sincerely,  
Brenda Ramos
