Subject: Bill 259

Sirs,

Please, keep the “drug free zone” at 1,500 feet from schools, day cares and public housing complexes. It would be unconscionable to cut it down to 200 feet. It concerns me very much that this is even under consideration. I feel the same about the “early release program”. Why are you considering putting the public in harm’s way?

Respectfully,

Christa Berthold.
