

Bill 259 PH 3/12/14

Good Morning,

I am writing to you today to voice my opposition toward Bill 259. I do not support legislature that would reduce drug free zones from 1,500 feet down to 200 feet. Our citizens deserve better than to give drug dealers and users more real estate to operate from.

I know (insert your banned item here) zones don't work - but why advertise this fact to illegal drug dealers and users?

Concerned Citizen,
