

Testimony in favor of SB 46

Dear lady's and gentleman,

We as families would lime to ask you to not spray any pesticides onto our public places.

We would you to look inside and hear our hearts scream please no pesticides on our lawns no more.

We asking for stepping up for humanity and see our human health as more important then all the money in the world.

We would like to ask all of you in power with the greatest respect our young peoples health not to have pesticides prayed.

Love and blessings
