Subject: Support for SB 32

Dear members of the Labor Committee,

I'm writing to urge your strong support for SB 32. Raising the state's minimum wage to \$10.10 an hour will help tens of thousands of Connecticut's working poor rise out of poverty. With Connecticut having the highest cost of living in the continental U.S., makes this raise even more imperative for our state's low wage workers to help them provide for their most basic needs. It will also help stimulate and grow our local economy.

Thank you for your time and consideration on this important matter.

Sincerely,

Arlene Avery
