Subject: Support Retirement for All!

Date: March 4, 2014 10:09:40 AM EST

Everyone deserves a secure retirement.

I am already too old to benefit by anything that comes out of this attempt to secure retirement benefits for working people. However, I am one of those self-employed types facing an uncertain retirement, if any.

Please make sure working people in Connecticut have the opportunity to save in a structured, safe way for their older years.
