

Brian Moyer HB 5144

To whom it may concern,

My name is Brian Moyer and I am an adoptee. I am writing in support of HB5144, which would allow adult adoptees access to their personal information. Having the access to their original birth certificate would allow closure for many American Citizens whom have fought for years to find out whom they really are. In addition, passing the bill could also mean detecting hereditary illnesses which could keep families together. Pass HB 5144 and give adoptees what is rightfully theirs!
