To Public Health Committee Co-Chairs Senator Terry Gerratana and Representative Susan Johnson, and Members of the Public Health Committee:

I am writing to ask for your support of Raised Bill 5144, An Act Concerning Access to Birth Certificates and Parental Health Information for Adoptive Persons. I am an adult adoptee born on 8/6/54 in Hartford, CT. I strongly believe that ALL adult adoptees should have access to their original birth certificates, and the bill should be both retroactive and prospective. Give us the right that every other American citizen has – access to our original birth certificates.

Thank you very much for your consideration, please do the right thing, give us the right to something everyone else born in the US has.

Sincerely,

Diane Lyons
