Bill 5144, An Act Concerning Access to Birth Certificates and Parental Health Information for Adopted Persons.

To Public health Committee Co-Chairs Representative Terri Gerrantana and Representative Susan Johnson, and Members of the Public Health Committee:

I am writing to ask for your support of Raised Bill 5144, An Act Concerning Access to Birth Certificates and Parental Health Information for Adopted Persons. I am a social worker working in the field of adoption and feel strongly that all adopted persons should have access to their original birth certificates, and the bill should be BOTH retroactive and perspective.
Thank you very much for your consideration.
