

Jean M. D'Aquila

To Public Health Committee Co-Chairs Representative Terri Gerratana and Representative Susan Johnson, and Members of the Public Health Committee:

I am writing to ask for your support of Raised Bill 5144, An Act Concerning Access to Birth Certificates and Parental Health Information for Adoptive Persons. I have a friend who is an adoptee and I know well the difficulties that arise when an adult adoptee cannot access information concerning his or her birth parents. I strongly believe that ALL adult adoptees should have access to their original birth certificates, and the bill should be both retroactive and prospective.

Thank-you very much for your consideration.

Sincerely,  
Jean M. D'Aquila
