To Public Health Committee Co-Chairs Representative Terri Gerratana and Representative Susan Johnson, and Members of the Public Health Committee:

I am writing to ask for your support of Raised Bill 5144, An Act Concerning Access to Birth Certificates and Parental Health Information for Adoptive Persons. I was born and raised in CT and most of the members of my extensive family still live in CT. I have both a family member and a friend who are adoptees. I strongly believe that ALL adult adoptees should have access to their original birth certificates, and that the bill should be both retroactive and prospective.

Thank you very much for your consideration.

Sincerely,

Thomas A. Caffrey
