Public Health Committee

H.B. No 5326 - An act concerning compassionate aid in dying for terminally ill patients March 17, 2014

Cameron Pilarski

Members of the Public Health Committee,

My name is Cameron Pilarski and I am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B. No - An act concerning compassionate aid in dying for terminally ill patients.

It goes against the dignity of the human life and specifically against the Fifth Commandment which states "you shall not kill". Actively killing life is wrong and immoral and I would be very disappointed in my government and my leaders if this bill went through.

Thank you,

Cameron Pilarski
