Members of the Public Health Committee,

My name is Josh Dobratz and I am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B. No 5326 - An act concerning compassionate aid in dying for terminally ill patients. Each human being across the world has dignity. Other countries that have legalized this act have opened the door to other terrible practices, like child euthanasia. I feel that passing this act would go against the basic moral beliefs of all humans.

Thank you for your time,
