Public Health Committee

H.B. No 5326- An act concerning compassionate aid in dying for terminally ill patients March 17, 2014

Marisa Mastrio

Members of the Public Health Committee,

My name is Marisa Mastrio and I am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B. No 5326- An act concerning compassionate aid in dying for terminally ill patients. I do not support this bill because all life is sacred. Whenever I see people that are depressed or wanting to take their own life, I try to help them get through things NOT help them kill themselves. My aunt died 8 years ago due to suicide and everyday I wish that I could have done something to help her get through whatever she was going through. There are people out there that need our help. Everyone has purpose. Please take this into consideration.

Thank you,

Marisa Mastrio
