H.B. No 5326 - An act concerning compassionate aid in dying for terminally ill patients March 17, 2014

Members of the Public Health Committee

My name is Victoria Roos and i am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B. No 5326 - An act concerning compassionate aid in dying for terminally ill patients. As a Christian i do not believe it should be legally acceptable for assisted suicide. In my eyes and beliefs God has a time limit on each and everyone of us. We should it be acceptable for someone to end this time limit before God does. God has a plan for each of us, we are all here for a reason. Everyone person sick in the hospital has a reason for being there wether its putting a smile on another person in the hospital or putting a smile on a nurses face. Everyone should love their lives the way God wants us to.

Thank you very much for taking the time to read this email.
