

Carol O'Connell HB 5327

Dear Senator Fonfara and Representatives Doyle, Morin & Guerrero:

I am writing to request your support of Bill #5327: An Act Concerning Health Freedom and the Practice of Classical Homeopathy.

I believe the public should have access to practitioners of alternative healing methods such as Classical Homeopathy. The passage of this bill will allow highly trained and certified classical homeopaths to practice in Connecticut. Currently many of these practitioners are traveling to Massachusetts and Rhode Island while living in Connecticut. These are just two of several states that allow free access to classical homeopathy. Passage of this Bill would allow these professionals to practice in the state in which they reside.

I encourage your support of Bill #5327.

Sincerely,

Carol O'Connell
