

Gulen Tuncer Senecal HB 5327

Dear Senator Gerratana and Representative Johnson and Members of the Public Health Committee,

My name is Gulen Tuncer Senecal. I reside in West Hartford, CT. I am very much in favor of the passage of raised Bill # 5327, an Act Concerning Health Freedom and the Practice of Classical Homeopathy.

I have 2 young children and it troubles me to acknowledge that we do not currently have the opportunity to seek homeopathic care for our families in Connecticut. I have been fortunate enough to receive some homeopathic care throughout my life and wish to be able to provide it to my family. We are limited in our ability to do so due to the limitations in our state. I see our beautiful state as a progressive one and expect to see homeopathic care as an option for myself and my family. I think that having access to Classical Homeopaths should be an option for all Connecticut residents.

I am in 100% favor of the allowing homeopaths to practice in CT and ask that you support the passage of raised Bill # 5327.

Yours Sincerely,

Gulen Tuncer Senecal
