

Dear Senator Gerratana and Representative Johnson and Members of the Public Health Committee,

My name is Jay Belanger. I grew up in Massachusetts and currently reside in Cromwell. I am very much in favor of the passage of raised Bill # 5327, an Act Concerning Health Freedom and the Practice of Classical Homeopathy.

I have been fortunate to work with homeopaths in Massachusetts however, now that I reside in Cromwell, I am unable to do so unless I travel out of state. In addition, I now have a young family who I would also like to provide the opportunity for this type of holistic care.

Please consider making these changes to support many of us CT residents who are interested in utilizing Homeopaths as a method of holistic health. I would like to ask that you support the passage of raised Bill # 5327.

Thank you,

Jay Belanger
