

Mia Belanger HB 5327

Dear Senator Gerratana and Representative Johnson and Members of the Public Health Committee,

My name is Mia Belanger. I grew up in Rocky Hill and currently reside in Cromwell. I am very much in favor of the passage of raised Bill # 5327, an Act Concerning Health Freedom and the Practice of Classical Homeopathy.

In CT we do not currently have the opportunity to seek homeopathic care for our families. I was raised with a holistic health philosophy and have been fortunate to be the recipient throughout my life of homeopathic care. I now have a 3 year old daughter who I wish to provide the same opportunities to. However, I am limited in doing so as we need to travel out of state and establish relationships with other homeopaths. As a resident I would to have the ability to see Classical Homeopaths as needed for myself and my family.

I am in 100% favor of the allowing homeopaths to practice in CT and ask that you support the passage of raised Bill # 5327.

Kind Regards,

Mia
